

IN VISION

APS SAUGOR NEWSLETTER

OCT-NOV 2023

**Dear parents and students
Greetings!**

Excellence is not a destination, it is a journey that never ends.

As the Principal of the school, I feel honored and privileged to be part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our teachers, parents & staff.

I believe in upholding high standards with an absolute commitment to strive to understand and improve the educational process, using team strategies, while wholly centering on student achievement.

Our staff fruitfully employ two diverse strategies that are of Love and Logic to foster a positive learning environment for all our students. Love and Logic may seem like two contrasting forces. While love helps nurture trusting relationships, where students feel respected, appreciated and loved by the teachers, logic helps develop in students personal responsibility, self-control, good decision making skills self-confidence, and character building with high moral values.

Your child's learning involves and revolves around an effective partnership between home & school. We know the stronger the partnership is the more your child will benefit.

I look forward to working with you as we help create a school where parents are welcome at any time, students are engaged in meaningful learning and the staff members are valued and appreciated for their efforts.

My commitment to our community is to lead the school with enthusiasm and passion to enable us to reach our goals. Let us work together to make APS Sagar as the best school, it can be. We look forward to welcoming you to be part of our vibrant learning community.

"Let noble thoughts come to us from every side"

**Mrs Jyoti Dubey
Principal**
